30 December 1960

MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 14 to Contract No. SC-58  
with Lockheed Aircraft Corporation, Project IDEALIST

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 4.

2. Contract No. SC-58 covers Contractor-furnished aircraft technicians for the Air Force during the period 1 July 1957 through 30 June 1961. Amendment No. 14 has been drawn to provide for training, establishing fixed man-month rates for FY-61, reflecting final funds for FY-60 and allotting additional FY-61 funds. "No Year" Air Force funds should be adjusted as follows:

Decrease  
Obligate  
Net

--

during FY-60  
during FY-61

25X1A

By concurrence to this memorandum the Acting Comptroller signifies that funds have been adjusted as provided above.

3. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

4. Concurrence in Amendment No. 14 to Contract No. SC-58 is recommended.
